f. o. b. Toledo

Five-Passenger Touring

The Most Popular Overland

There is already an enormous demand for this big
four cylinder Overland.

With certain improvements, it is the same car of
which 55,000 Overlands were sold last season for \$750.

The price is \$55 less.

Standardization of product and the purchase of
raw materials at before-the-war prices, made this
reduction in price possible.

It will not be lower, for materials are rising in
price.

So order your Overland now, to make sure of
getting it.
